Organised by:

WELCOME BROCHURE

Invitation

Dear colleague,

On behalf of the organising committee, we extend our heartiest invitation to all delegates, to the Medimeet-2019, the 34th Biennial Conference of Indian Medical Association, Assam State Branch, to be held from 22nd to 24th March 2019, at Nagaon.

Located in the very heart land of Assam, Nagaon has a vibrant history and a fascinating amalgamation of different cultures. A district whose economy is largely agrarian; fisheries, handicrafts etc are also achieving greater heights. Bordowa, the birth place of Mahapurush Srimanta Sankardeva, is situated 18 km North-West of Nagaon town. 'Ranthali', a village famous for Assamese traditional gold ornaments is 4 km from Nagaon. Pokhi Tirtha (Samaguri Beel) and Lowkhowa Sanctuary are nature lovers' paradise. With tinges of modernism, the hallmark of Nagaon remains intact.

Indian Medical Association is the only representative voluntary organization of doctors of Modern Scientific System of Medicine, which looks after the interest of doctors as well as the well being of the community at large. Now with the passage of the NMC BILL -2017, the organization has a lot to deliberate upon. The new changes have to be debated upon with better understanding and deeper insight.

This MEDIMEET-2019 will be a platform to ponder over these core issues besides throwing light on the newly opened corridors of medical sciences.

Dear friends, we again welcome you to Nagaon and assure you of a comfortable and eventful stay.

Looking forward to greet you in Nagaon.

Dr Apurba Kr Sarma
Chairman, Organizing Committee

Dr B C Bora
Working Chairman

Dr Ajit Goswami
